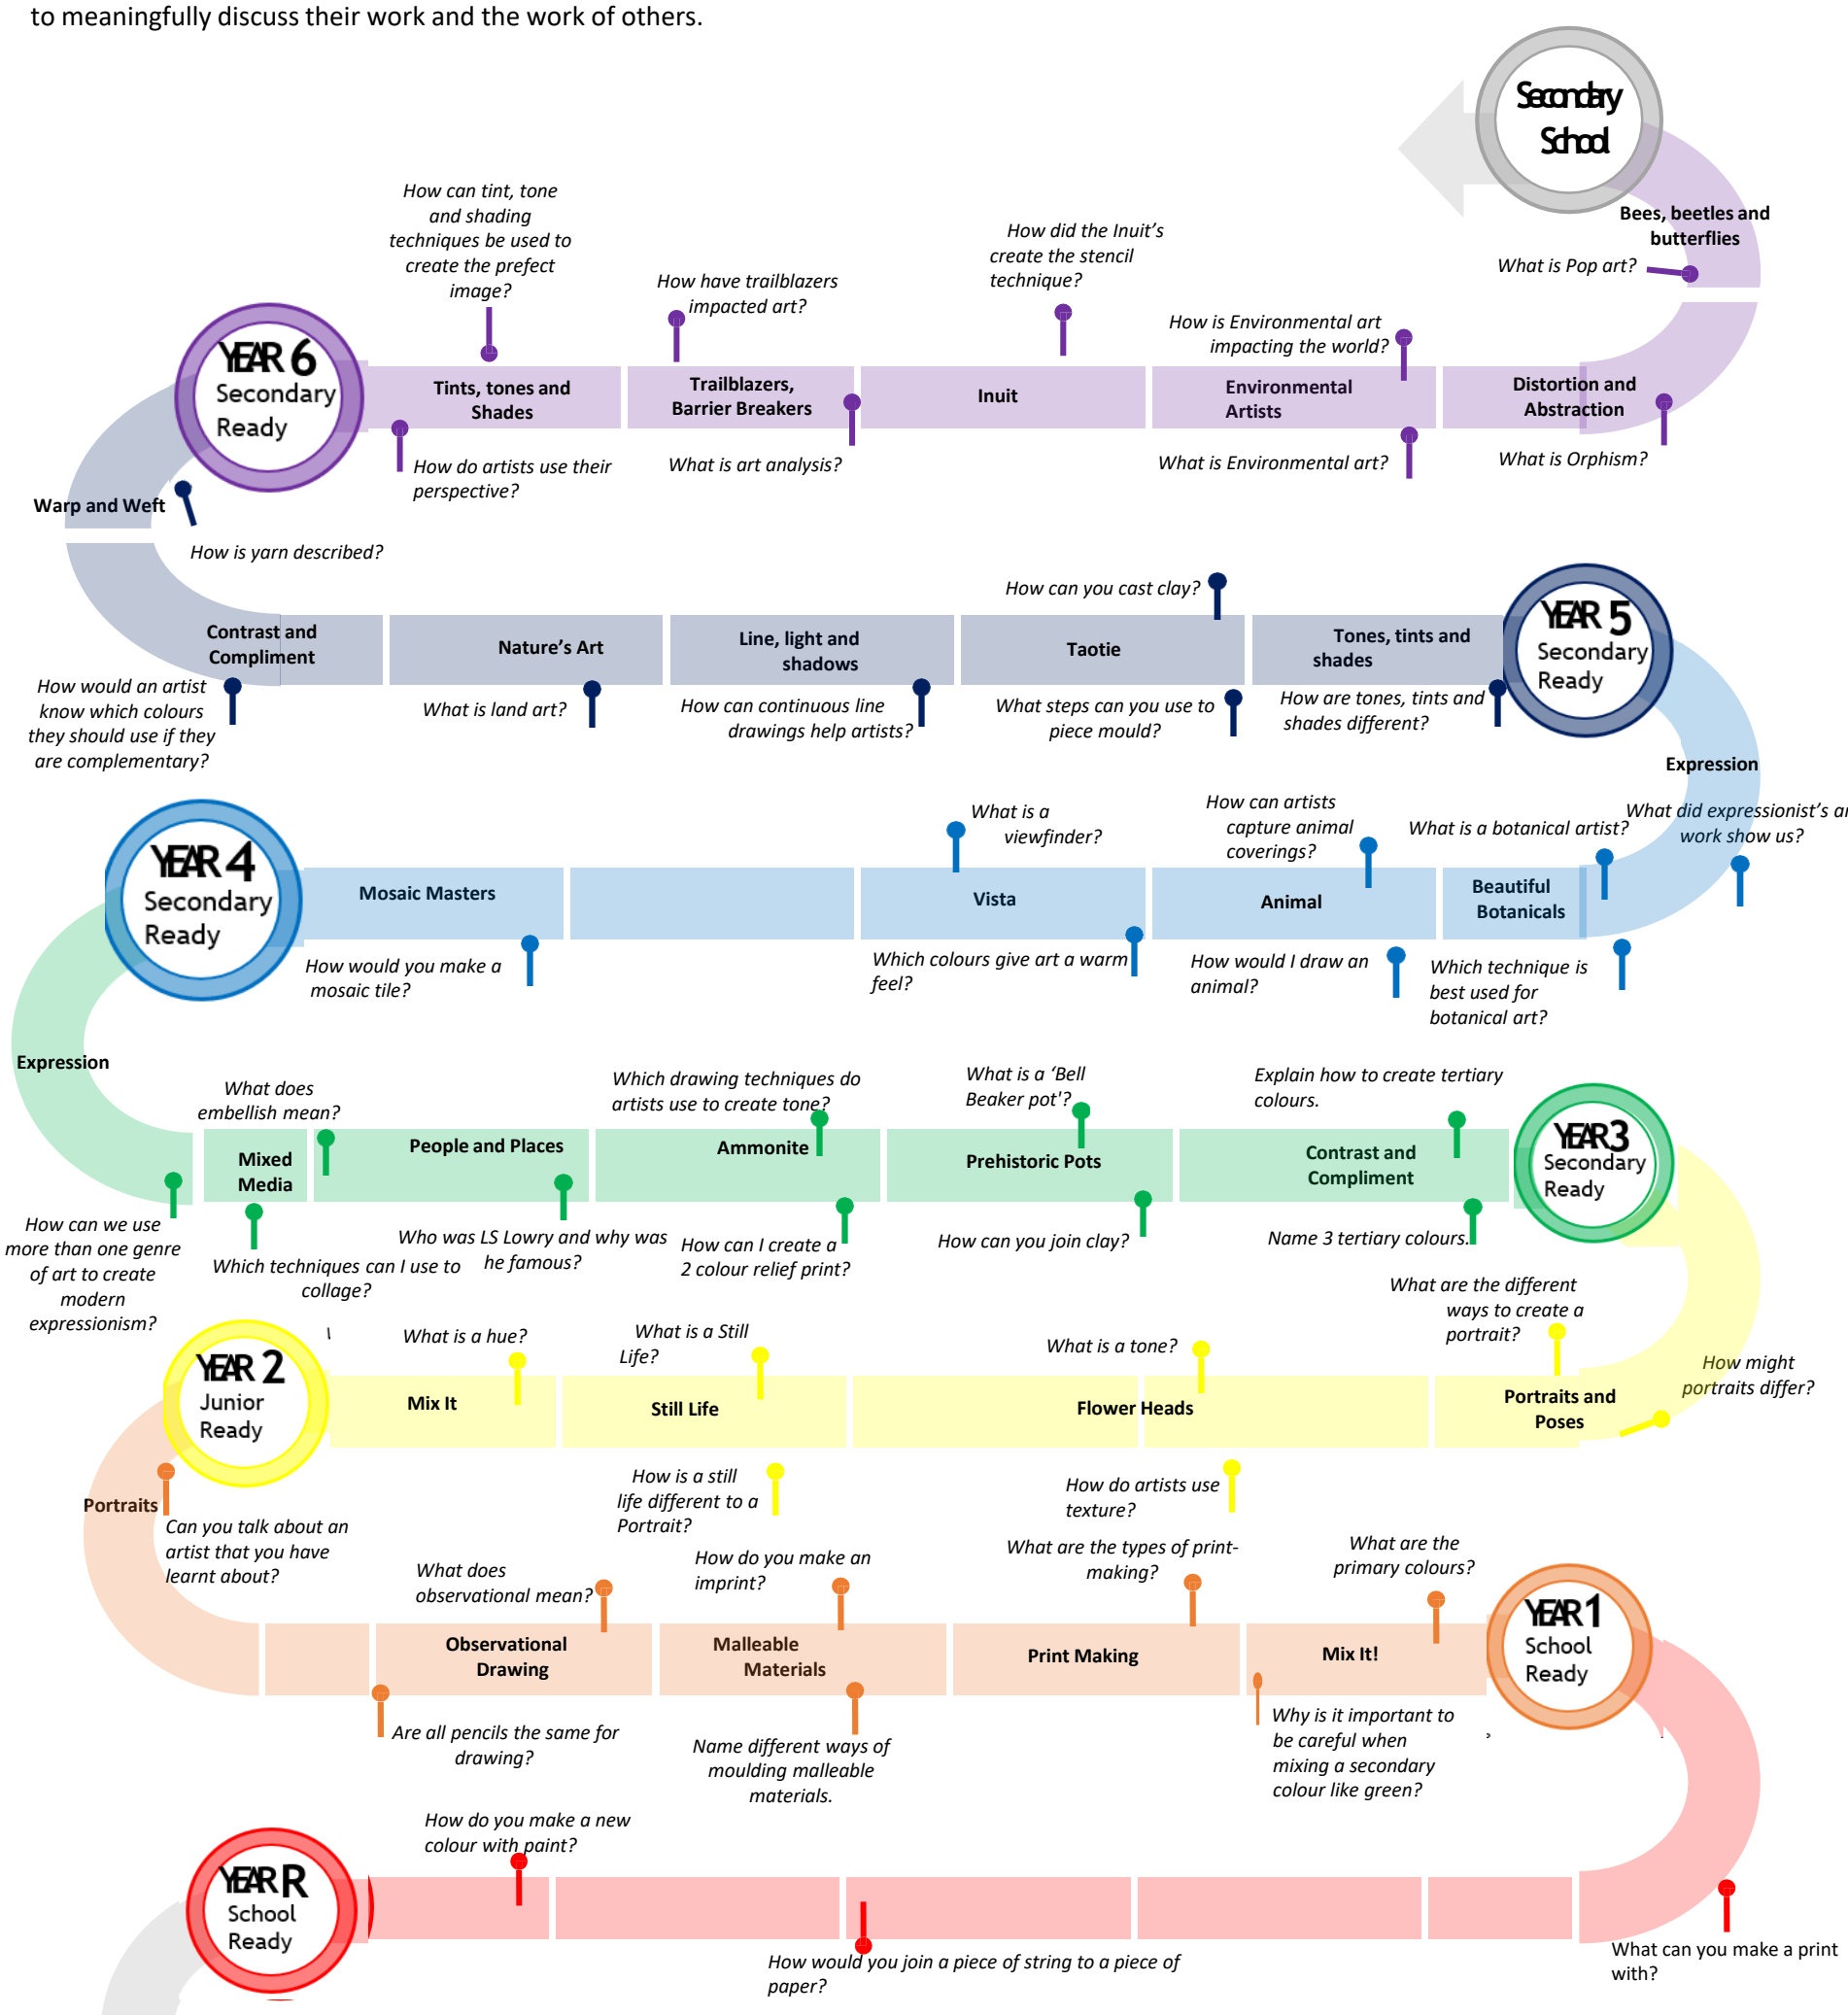
Art & Design Curriculum Track

Pupils at Bligh Primary School will be engaged, inspired and challenged with a range of artistic techniques and skills and by analysing the work of great artists. They will be encouraged to experiment and create their own works of art, following their interests and curiosities. By the end of their time at our school, children will be proficient with a range of art and design techniques and be able to meaningfully discuss their work and the work of others.



Bligh Primary School- A school with HEART.
