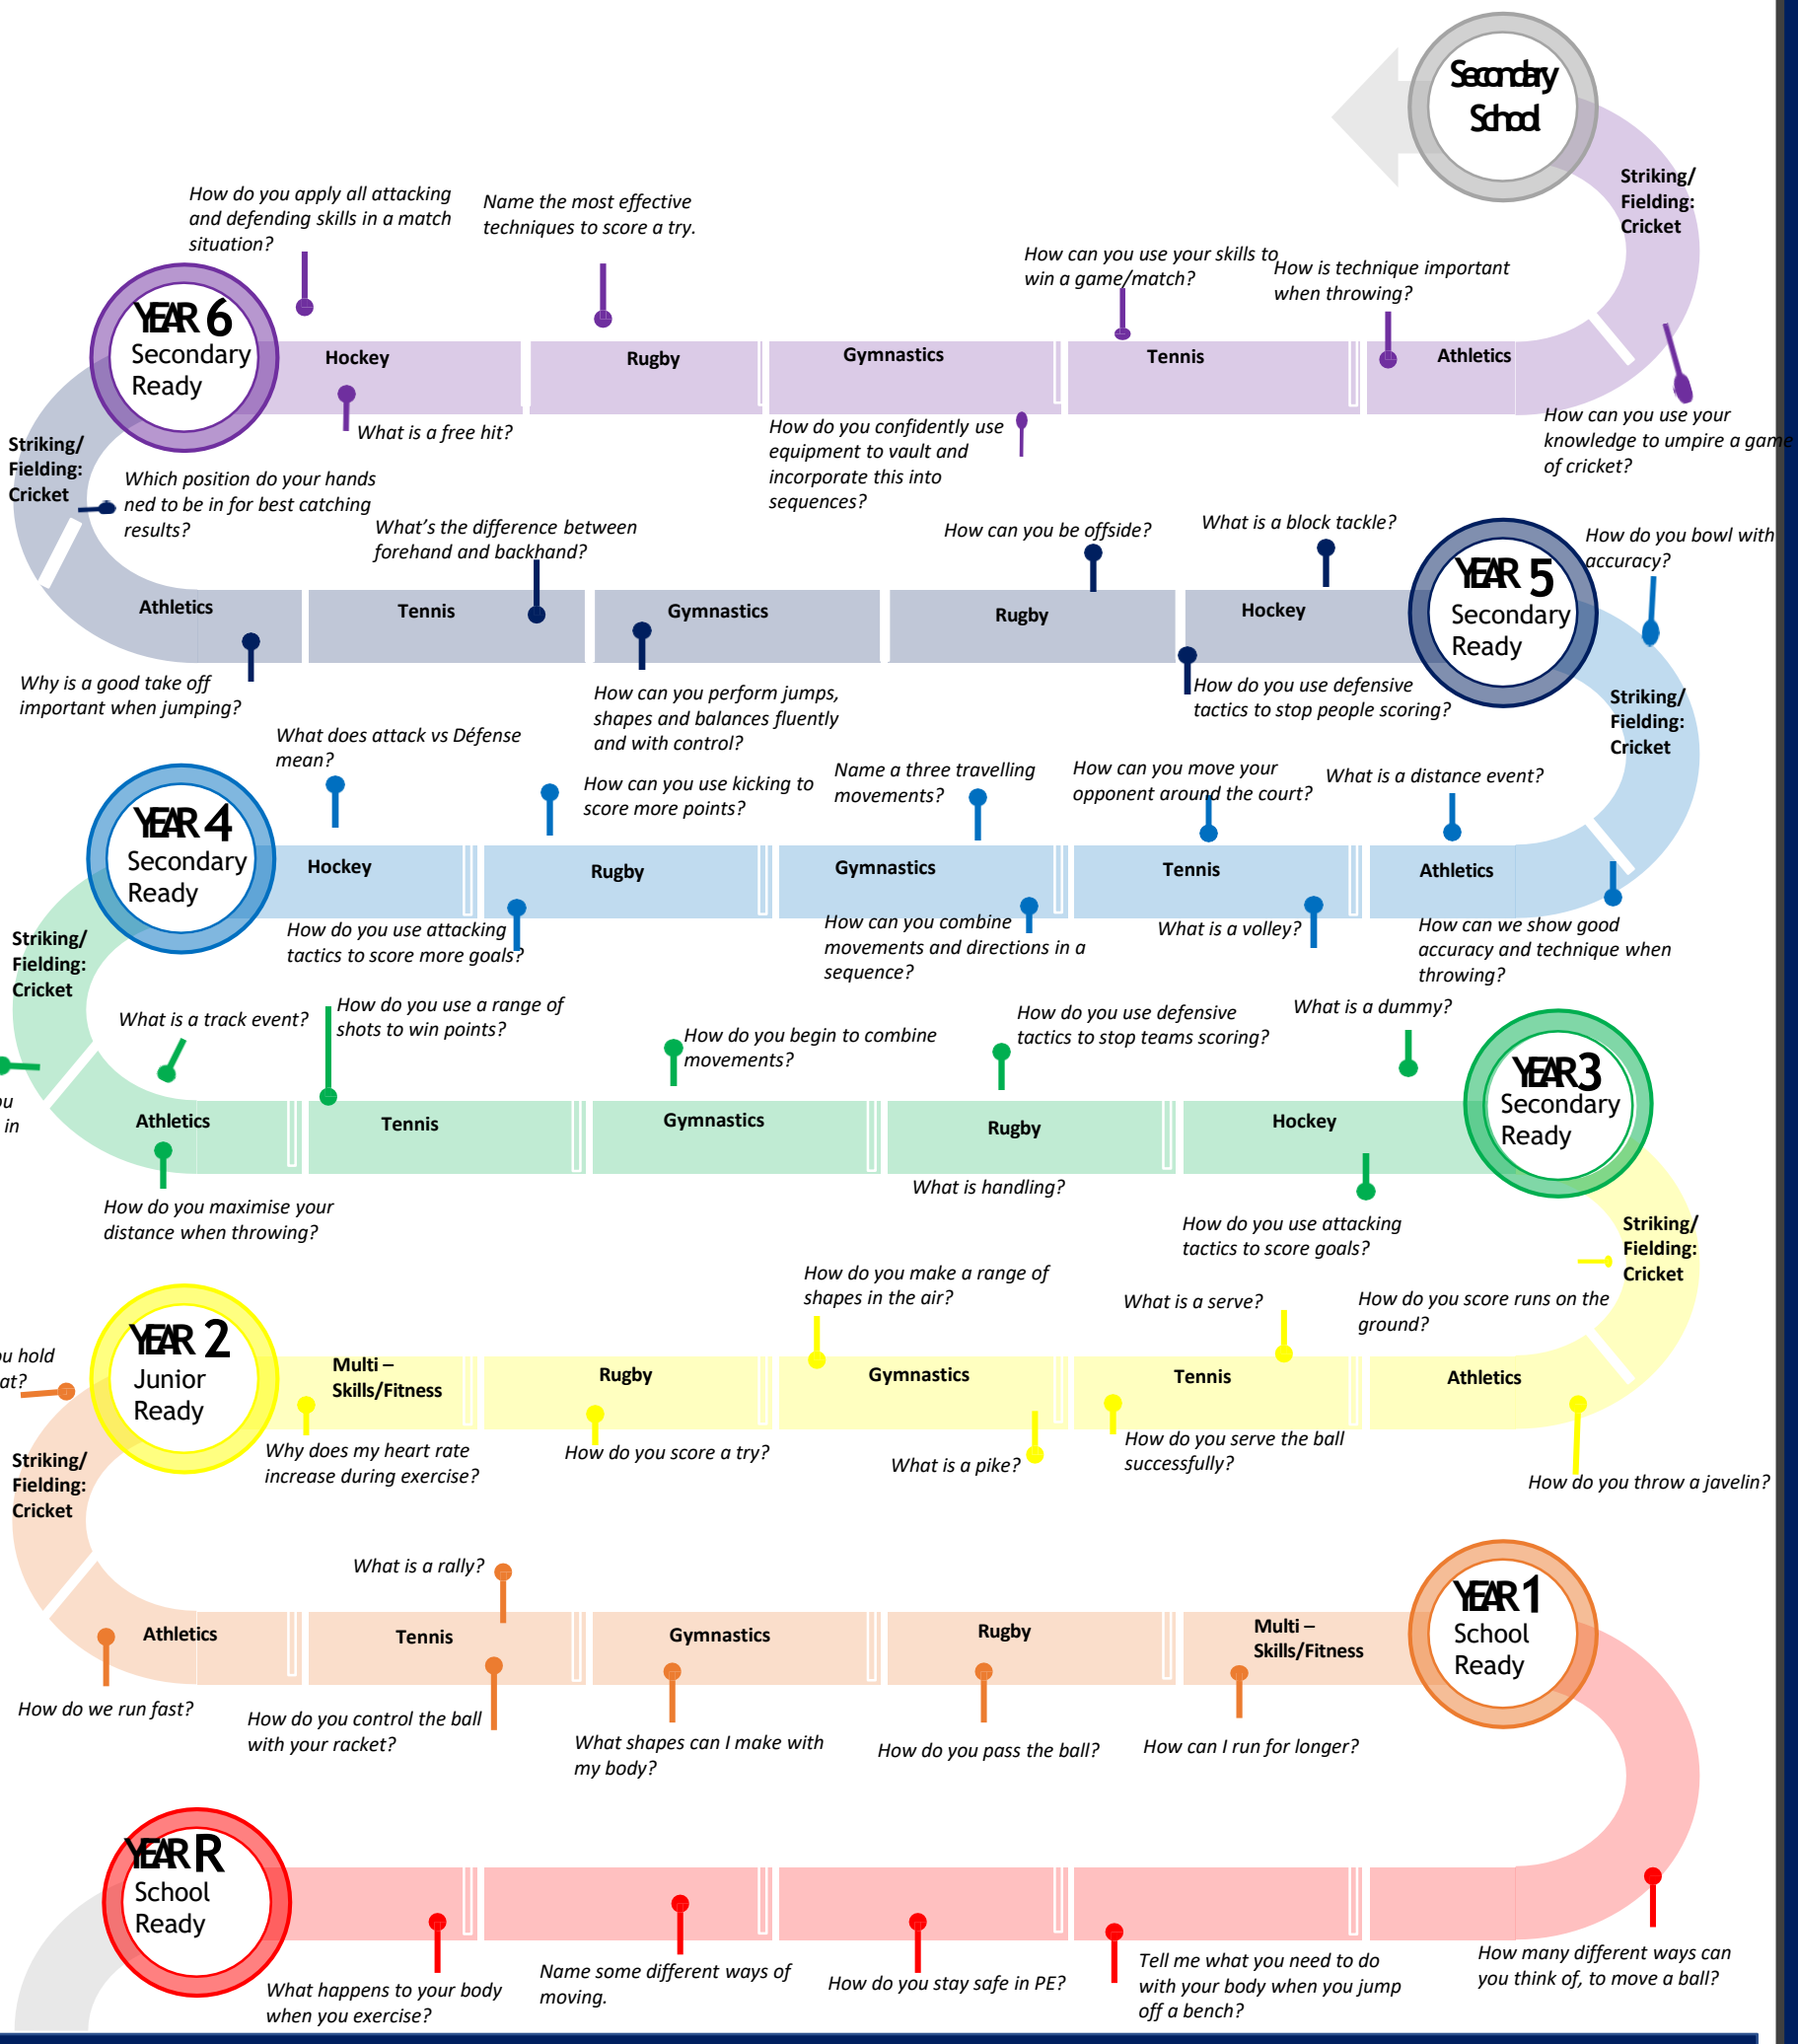
PE Curriculum Track

Through building up a body of key knowledge and concepts, pupils at Bligh Primary School will be encouraged to work collaboratively and develop a sense of love for sport, team games and competition, preparing them for each stage of their learning. By the end of their time at Bligh, our wish is that every child can increase their levels of activity, improve their performance of a skill, work in a team and achieve success for our school. Ultimately becoming Secondary Ready and providing our children with a choice in their future.

Bligh Primary
A School with Heart



Bligh Primary School – A School with HEART.
